PATIENT INFORMATION & INSTRUCTIONS:

Gastroscopy & Colonoscopy

- Changes in diet, medication and other instructions may be required before these investigations. Details will be discussed with you at the time of your booking
- Instructions and admission documents will be forwarded to you when your booking is made. It is important that you read this information, understand the procedure(s) and follow any directions given to you
- Gastroscopy and Colonoscopy have certain risks: there is a minimal risk of perforation and/or bleeding especially if polyps are removed during the procedure
- Intravenous sedation is given by an Anaesthetist for both tests. You must **fast for 4 hours** prior to both of these tests and you will need someone to collect you after the procedure(s)
- If you have any questions about the procedures, please contact our office on **(03) 9871 4788**, or your local doctor. Alternatively, see the instructions on our website: **www.gutwiseonbedford.com.au**

Consultations

- If you are new to GutWise on Bedford, please come 5 minutes earlier than your scheduled appointment time in order to fill out a patient registration form. Also bring any recent letters or results given to you by your doctor and if relevant, a list of your current medications to your first appointment
- We always strive to keep on time as much as possible—unless emergency situations occur which are unavoidable please let us know if you are unable to attend, or are running late for an appointment
